

BTO UPDATES!

APR 2025

Expect monthly updates on open solicitations, links to information sessions hosted by the Biological Technologies Office (BTO), and other relevant resources. Our goal is to provide a central space for the latest BTO updates while connecting you to opportunities and the broader network of the Defense Advanced Research Projects Agency (DARPA).

Please reference [the BTO homepage](#) for updates on open solicitations.

OPEN OPPORTUNITIES:

Below you will find highlights of our current postings on SAM.gov. Please follow all direction on SAM.gov to submit information.

Program Solicitation: The BioElectronics to Sense and Treat (BEST) Program

The BioElectronics to Sense and Treat (BEST) program seeks to address this need by developing wearable, automated technologies that can predict and prevent a wound infection before it can occur, and to eliminate an infection if it has already taken hold.

Notice ID: DARPA-PS-25-12

Deadline: May 7, 2025

Contact: BEST@darpa.mil

Proposers must submit a full proposal in response to this PS to be considered for participation in the BEST program.

UPDATE: BTO Office-Wide Solicitation

This announcement seeks revolutionary research ideas for topics not being addressed by ongoing BTO programs or other published solicitations.

Amendment 01; amended on April 2, 2025:

The purpose of Amendment 01 is to introduce an accelerated award option, define the classified submission process, announce the use of Special Notices (SNs) for targeted studies, and clarify the eligibility of Federally Funded Research and Development Centers (FFRDCs) and University-Affiliated Research Centers (UARC).

Notice ID: HR001124S0034

Deadline: Sept 10, 2025

Contact: BTOBAA2024@darpa.mil

Abstracts & proposals are accepted on a rolling basis.

Join the DARPAConnect Community for tips, tricks, & lessons on applying to solicitations!
