

BTO UPDATES!

JUNE 2025

Expect monthly updates on open solicitations, links to information sessions hosted by the Biological Technologies Office (BTO), and other relevant resources. Our goal is to provide a central space for the latest BTO updates while connecting you to opportunities and the broader network of the Defense Advanced Research Projects Agency (DARPA).

Please reference [the BTO homepage](#) for updates on open solicitations.

OPEN OPPORTUNITIES:

Below you will find highlights of our current postings on SAM.gov.
Please follow all direction on SAM.gov to submit information.

Broad Agency Announcement: [CoasterChase](#)

The CoasterChase program seeks to revolutionize how to manage stress in high-pressure situations. DARPA is soliciting innovative proposals that leverage a novel understanding of the enteric nervous system as well as emerging neuromodulation technologies to selectively target neurons in the small intestine and alter the body's stress response.

Proposers day registration deadline

Special Topic Announcement: Ag x BTO

Ag x BTO's objective is to spark innovation to defend agriculture against threats both naturally occurring and manmade, promoting national security interests. This Special Topic Area (STA) is a supplementary, limited period announcement to solicit, collect, and assess disruptive solutions, and make those solutions available through rapid acquisition pathways. DARPA may select teams to attend a workshop and follow-on Pitch Day hosted in the DC area, based on the submissions from this Special Topic Area.

Notice ID: DARPA-PS-25-02-BTO-01

Deadline: August 31, 2025

Submissions will only be accepted via the ERIS Marketplace

BTO Office-Wide Solicitation

This announcement seeks revolutionary research ideas for topics not being addressed by ongoing BTO programs or other published solicitations.

Amendment 01:

The purpose of Amendment 01 is to introduce an accelerated award option, define the classified submission process, announce the use of Special Notices (SNs) for targeted studies, and clarify the eligibility of Federally Funded Research and Development Centers (FFRDCs) and University-Affiliated Research Centers (UARC).
